

Winstar Nightwatch Kennel announces the arrival from Belgium of our new stud dog, **Ilco Dario Cinderfields**

. Ilco is a Belgian Malinois, born on July 21, 2004. He weighs 85 pounds and stands 28 inches to his shoulders. He is extremely strong, agile, has great speed, stamina and determination. Although he has a stable temperament, he becomes focused during his bite work. Ilco comes in hard with a full, ferocious bite. He takes his work very seriously.

Ilco is the son of **Vanjo van de Duvetorre** and **Anubis van Joefarm**. He is also the grandson, on his father's side, of **Stoned van de Duvetorre and Pigrine**, and, on his mother's side, of **Roe van Joefarm** and **Ymca van Joefarm**.

His father, Vanjo is titled in IPOIII and Mondioring I. **Vanjo van de Duvetorre** His grandfather, Stoned, was a very famous Belgian Malinois. He participated in seven World Championships in Belgian IPO teams. He is a dog you could not forget after seeing his protection work. He was strong, independent and self-assured. These are characteristics that he passed on to our Ilco.

**Stoned van Duvetorre**, In Ilco's bloodline is also Turcodos. He is the son of **Stoned van de Duvetorre** and thus Ilco's uncle. Turcodos is well known for his temperament, heart, speed, power and looks. Our Ilco takes after his uncle.

His great grandfather on both sides of his pedigree was **Elgos du Chemin des Plaines**. Elgos participated in several Mondioring competitions from 1992 through 1997 obtaining scores that kept him in the top positions.
